

## **PROGRAMME EDUCATIONAL OBJECTIVES (POEs):**

- PEO1: Career Achievements** – Our graduates will demonstrate their skills in solving challenges in their chosen field through the core foundation and knowledge acquired in Architecture.
- PEO2: Professionalism** – Our graduates will exhibit leadership, make decisions with societal and ethical responsibilities, function and communicate effectively in multidisciplinary settings.
- PEO3: Life-long Learning** – Our graduates will recognize the need for sustaining and expanding their technical competence and engage in learning opportunities throughout their careers.
- PEO4: SKILL-** Our graduates will be trained for developing soft skills such as proficiency in many languages, technical communication, verbal, logical, analytical, comprehension, team building, inter personal relationship, group discussion and leadership skill to become a better professional.
- PEO5: ETHICS** – Our graduates will apply the ethical and social aspects of modern Architecture technology to the design & development.

## **Program Outcome (POs):**

Upon graduating from B.Arch Degree Program at School of Architecture, and during the formative years of professional practice, students should be able to successfully demonstrate the following:

- PO1: Apply academic knowledge toward solving architectural problems and presenting ideas in a broad range of architectural and construction related settings.
- PO2: Communicate and demonstrate design creativity, graphic skills, verbal presentation and Organizational skills.
- PO3: Perform all professional responsibilities independently, as a team member, or part of a Multi-disciplinary team.
- PO4: Awareness of the global influences of architecture and an understanding of how design influences the complex modern world system.
- PO5: Engage the process of design and building in the discourse of social, ethical and Professional responsibility.
