# Bosch, Bharath University launch training centre in Chennai

TNN | Mar 14, 2016, 07.33 PM IST

**C**HENNAI: Bosch Limited, in collaboration with Bharath University, launched a training centre in Chennai on Monday. The centre is located on the Bharath University campus.

Spread across 3,600 square feet, the joint certification centre has been set up to provide quality training to students in the areas of diesel systems, gasoline systems, diagnostics and auto electricals among others areas.

The center has the latest Bosch equipment such as fuel injection test bench, auto electrical test bench, diagnostic scanner, Bosch vehicle lift among others.

The training centre will provide joint certification programmes to students of Bharath University, technicians and service personnel alike. On an average 100 training programmes will be conducted every year.
