(Declared as Deemed - to - be - University under section 3 of UGC Act 1956)  
ACCREDITED WITH 'A' GRADE BY NAAC

## DEPARTMENT OF TRAINING AND PLACEMENT CELL

Dear Students,

Greetings from Placement Cell!

We are glad to inform you that **M/s. TEKsystems Global Services.** is launching its Hiring and Industry oriented learning program **CHAMP-2021 (Campus Hiring and Mentorship Program)** for the 2021 batch.

### About CHAMP-2021:

Understanding the current scenario of mismatch between the current skill demand by Industry and the educational skill gap from university graduates which is restricting them to become IT Professional, TGS has taken an initiative to support the student community and designed this program to up-skill and re-skill the deserving engineering graduates to kick start their career in IT Industry.

**NOTE: AS WE SEND THE DATABASE TO THE COMPANY THE ASSESSMENT LINKS WILL BE SHARED DIRECTLY BY THE COMPANY AFTER MAY15th**

**Eligibility Criteria:** B.E/B.Tech - CSE, IT & ECE 2021 batch (60% aggregate throughout the academics are eligible)

**Date: 15<sup>th</sup> May 2020**

**Process Flow:**

**Stage 1:** Assessment- N.C.E.T (National Competency Evaluation Test)

**Stage 2:** Assessment- Coding Challenge

**Stage 3:** Mentorship program- 40+ hours Industry oriented online training sessions by Technology experts from TGS.

**Stage 4:** Technical Interviews – Final round of selection process with TGS.

Each level in the process flow is a Knock out round and all the candidates who meet the minimum cut off criteria will be shortlisted for further rounds of the selection process.

Note: Considering the recent pandemic outbreak and lock down extension till 3rd of May, end to end process of CHAMP-2021 Will be administered remotely through various digital medium which will be communicated to all the participating entities from time to time.

**Benefits of Participation:**

- Opportunity to get placed and launch your professional career with TEKsystems Global services.
- Enhance your skill set through Industry oriented learning from the Intensive training program mentored by Tech experts from the Industry.
- Mini projects and assignments are included as a part of the program to provide hands on experience.
- Potential measure with the help of skill based reports from N.C.E.T to understand the skill gaps and areas to improvise.

**NOTE: Students who were all going to attend assessment should register in this link for placement record:**

<https://forms.gle/8QMZVoR97QBfzyQA>

**All the Students should make use of this wonderful opportunity.**
