About iB Hubs (Website - ibhubs.co)

At iB Hubs – a Global Hub for 4.0 Technologies – we enable faster adoption of 4.0 technologies among individuals, organizations, and countries as we enter the new era of opportunities and possibilities.

iB Hubs started with a team of alumni from IITs, IIMs and other premier institutes, and corporate alumni of major MNCs such as Amazon, Microsoft, Intel, and the like. By creating a powerful workforce and by carrying out application R&D in Industry 4.0 technologies, iB Hubs enables the development of world-class products and global startups. Through our various programs, we nurtured 140+ startups and produced world-class products in advanced technologies such as iB Cricket, CyberEye SPN, etc.

Support from iB Hubs during the selection process

We would like to introduce you to our non-conventional and human-centric selection process – **JG Cycle (Job Growth Cycle) - It is completely free for all the students.**

In JG Cycle, job selections happen every day through quick, simple, and short assignments and role-play interviews. Students have a greater opportunity to get a job as they can participate in multiple JG Cycles. With each JG Cycle, they learn and become better.

We believe that we can assess a person's true potential only when they are comfortable during the interviews. In JG Cycle, the selection process is fun and engaging. We provide end-to-end support to students to maximize their chances of selection through training ranging from building a strong resume to mock interviews. – all at free of cost.

The key highlights of the JG Cycle Business management are

- A JG Cycle starts every Friday. Each cycle is 10 days long
- IDP - Individual Development Plan for 10 days with dedicated Helping Squad
- Daily Gifts (wish lists up to 10,000 INR)
- Assured part-time jobs for those consistent in attending JG Cycle sessions
- Students can participate in any number of JG Cycles

Important Note - JG Cycle Tech will have a totally different format, we will inform you about the process for JG Cycle Tech soon.

STUDENTS SHOULD MAKE USE OF THIS WONDERFUL OPPORTUNITY.
