“University Ambition is to realize the ‘Vision – 2020’ by 2020. The strategy is to develop innovative programs in basic and emerging disciplines in a phased manner and to update them periodically, so as to keep ourselves on track and on time. Our commitment is to involve the faculty and students in interactive learning environment in academics, research and extension activities within and outside the University through contextual and experiential programs. Hence, the students would be the builders of a worldwide network of knowledge sharing and excelling in their performance with a winning edge in the wide context of globalization”.

VISION :

We at BIHER envision and constantly strive to provide an excellent academic and research ambience for students and members of the faculties to inherit professional competence along with human dignity and values to serve the society at large.

MISSION :

- To develop as a Premier University for Teaching Learning Research and Innovation on par with leading Global Universities.
- To impart education and training to students towards creating a better society with ethics and morals.
- To establish benchmark standards in professional practice in the fields of innovative and emerging areas in Medicine, Dentistry, Nursing, Physiotherapy, Allied Health Sciences, Engineering, Management, Arts & Science and Law.
- To imbibe human dignity and values through personality development and social service activities.

Bharath Institute of Higher Education and Research is a multi stream and multi cultural university, providing high quality education to students from around the world. It is functioning in a sprawling area of 305 acres of land located in 4 Campuses in Tamil Nadu and Puducherry, with the state of the art infra-structure facilities.

Bharath Institute of Higher Education and Research is the brain child of Sri Lakshmi Ammal Educational Trust which was established in the year 1984 with the noble objective of providing higher education in professional courses in India.

Bharath Institute of Higher Education and Research was declared as deemed to be University under section 3 of UGC Act, 1956 on 04th July 2002 by MHRD, Govt. of India (vide notification No-F.9-5/2000-U3 dated 4th July 2002), which is now one among the top universities of India acclaimed to get 'A' status by National Assessment and Accreditation Council – NAAC and in the National Institutional Ranking framework BIHER is recognized by Scientific and Industrial Research Organization (SIRO) under the Ministry of Science and Technology, Govt. of India.

NURSING

1. B.Sc. Nursing

Undergraduate Nursing program is broad based holistic education within an academic framework specifically directed to the development of critical thinking skills, competencies and standards required for practice of professional nursing care.

Eligibility :

Minimum education 10 + 2 class passed with Science (PCB) & English individually and must have obtained a minimum of 45% marks taken together in PCB) the qualifying examination i.e. (10 + 2) from recognized Board under AISSE / CBSE / ICSE / SSCE/ HSC or other equivalent Board.

5% of relaxation of marks for SC / ST candidates.

Age Limit : Candidates should have completed 17 years of age as on 31st December 2019.

B.Sc. – Post Basic Nursing :

Under Graduate Nursing program at the Post Basic level is a broad based education within an academic frame work, which builds upon the skills and competencies acquired at the diploma level. It is specifically directed to the upgrading of critical thinking skills, competencies and standards required for practice of profession nursing and midwifery.

Eligibility :

Passed the Higher secondary or Senior Secondary or Intermediate or 10 + 2 or an equivalent examination. A male nurse, trained before the implementation of the new integrated course besides being registered as a nurse with State Nurses Registration Council, shall produce evidence of training approved by Indian Nursing Council for a similar duration in lieu of midwifery in any one of the following areas :

- O.T. Techniques
- Ophthalmic Nursing
- Leprosy Nursing
- TB Nursing
- Psychiatric Nursing
- Neurological and Neuro Surgical Nursing
- Community Health Nursing
- Cancer Nursing
- Orthopedic Nursing

*Refer website for further information www.bharathuniv.ac.in

M.Sc. Nursing :

Specialities : 1. Medical & Surgical Nursing 2. Paediatric Nursing 3. Obstetrics & Gynecological Nursing 4. Community Health Nursing 5. Psychiatric Nursing.

The two year program aims to prepare graduates to assume responsibilities as a nursing specialists, Consultant, Educators and Administrators in a wide variety of profession setting. A Nursing specialist is trained to act as a consultant in clinical practice and educator to both nurses and the wider multidisciplinary team. Clinical Management and leadership, utilizing evidence based practice to ensure the attainment of excellence in patient care etc. come under the broad sphere relating to the duties of a specialist nurse. Ensuring patient safety is a district element of providing quality care that needs to be integrated into all levels of health care delivery systems.

Eligibility :

The candidates should be Registered Nurse and Registered Midwife of equivalence with any state Nursing Registration Council.

The minimum education requirements shall be passing of B.Sc. Nursing / B.Sc. Post Basic Nursing / Post Basic Diploma Course with minimum of 55% aggregate marks from any institution which is recognized by Indian Nursing Council.

Minimum one year of work experience after B.sc. Post Basic Nursing / B.Sc. Nursing 5% relaxation of marks for SC/ ST candidates.

PHYSIOTHERAPY

BPT (Batcher of Physiotherapy)

Physiotherapy is a science that helps improve movement dysfunction, and promote functions of the human body and optimal health. This involves assessment, diagnosis and treatment of disease and disability through physical means.

Eligibility :

The Minimum educational qualification is a pass in HSC + 2 or equivalent examination with English, Physics, Chemistry, Biology and any other language / English, Physics, Chemistry, Zoology and any other language.

MPT (Master of Physiotherapy)

Post Graduate Education will be able to meet the challenging needs of the Health Service Provision in Physiotherapy Education. The Physiotherapy students are provided with excellent facilities for curricular activities. At Sree Balaji College of Physiotherapy we offer Master of Physiotherapy in three specialities 1. Orthopaedics 2. Cardio Pulmonary Disease 3. Neurology.

Eligibility :

- (a) Candidates should possess BPT (Bachelor of Physiotherapy) Degree (Full – Time) awarded by any recognized University and completed 6 months of Internship on or before 30.06.2019.

B.Sc. (Medical Genetics)

Medical Genetics is a fast growing frontier in Medical Sciences. Since the completion of the human genome sequencing in 2003, the genetic basis of diseases and traits has led to many novel discoveries in medicine. They have led us to the entry into futuristic areas of medicine like “personal medicine” that will bring about improved health, longevity, and quality of life. Genomic analysis of disease causing organisms has become almost essential to pursue with appropriate therapeutic and prophylactic strategies. A career in medical genetics will be both rewarding and exciting. At Bharath Institute of Higher Education and Research the students get exposed to state of the art genomics facility that includes karyotyping facility, PCR, Real time PCR, tissue culture facility and DNA sequencer.

Eligibility :

Age limit : should have completed the age of 17 years on or before 31st December of the year of admission

Educational Qualification :

A candidate should have passed HSC / CBSE / ISC or equivalent examination with one of the following subject combination.

- (i) Physics, Chemistry, Biology
- (ii) Physics, Chemistry, Botany and Zoology

M.Sc. Epidemiology :

Epidemiology is very valuable in all branches of Health Sciences. Knowledge of epidemiology in life sciences like Medicine, Dentistry, Nursing, Physiotherapy etc. can be imparted after basic graduation in these fields. It is anticipated that graduates will occupy positions as research administrators, program managers, analysts and evaluators in Universities, health departments, Governmental agencies and similar organizations.

Eligibility :

Applicants fulfilling the following criteria are eligible to apply for the course : MBBS / BDS degree recognized by the Medical Council of India.

B.Sc. (AHS) ALLIED HEALTH SCIENCES

Allied Health forms the spokes for the dynamic wheel of health care, one of the nation's fastest growing industries. The term "Allied Health" was coined to group together diversified professions who perform essential work in health care and, at the same time to distinguish them from those in medicine, nursing and dentistry.

Allied Health Sciences are no longer subsidiaries of main stream medicine, but are considered as an important adjunct in the health care industry. The following courses are offered.

1. B.Sc. Cardiac Perfusion Technology
2. B.Sc. Cardiac Technology
3. B.Sc. Anaesthesia Technology
4. B.Sc. Respiratory Care Technology
5. B.Sc. Medical Laboratory Technology
6. B.Sc. Emergency and Trauma Care Technology
7. B.Sc. Radiology & Imaging Science Technology
8. B.Sc., Renal Dialysis Technology
9. B.Sc. Critical Care Technology
10. B.Sc. Nuclear Medicine Technology
11. B.Sc. Neuro Electro Physiology
12. B.Sc. Fitness and Lifestyle Modification

Eligibility :

Candidate must have passed HSC / CBSE / ISCE in subjects of Physics, Chemistry, Biology / Botany and zoology and English individually or any other equivalent subjects.

Age Limit :

Candidates should have completed 17 years of age as on 31st December, 2019.

* Refer website for further information.
