## About Our University

Bharath Institute of Higher Education and Research (BIHER) is a Deemed to be University, declared under section 3 of the UGC Act, 1956. It was started by Sri Lakshmi Ammal Educational Trust, established by the academic visionary Dr.S.Jagathrakshakan in 1984. The Ministry of Human Resource & Development (MHRD) has ranked BIHER as the “No.1 in NIRF ranking”(under outreach and inclusivity), and No.21 among all universities in India. The institution has been accredited by the National Assessment and Accreditation Council (NAAC) with “A” grade.

## About the Department

The Department of Civil Engineering is committed to the task of providing quality education, which will transform the students into efficient and successful engineers. It is equipped with modern equipments necessary for testing, development and research. The Department of Civil Engineering interacts with leading construction firms through M.O.U., in the fields of Structural Designs, Soil Investigations, Design of Foundations, Earthquake Engineering, Development of High Performance Concrete, Rehabilitation of Structures, Environmental Pollution Control, etc. The Department has recently undergone ABET Accreditation visit.

## About the Program

Participants will learn how to navigate in the Primavera tool, create a project, add activities and relationships, assign resources, adjust the project plan to account for schedule delays and over-allocated resources, and analyze portfolios. Participants also will learn how to use Project Workspace to monitor project progress and communicate with team members.

All workshops and instruction stress the three basic elements of project management: schedule, resources and costs. At the end of each day, you'll apply the concepts and functionality you learned in a case study. The course is divided into three sections: Creating a Project; Scheduling the Project; Project Execution and Control.
