## BHARATH INSTITUTE OF HIGHER EDUCATION AND RESEARCH

Bharath Institute of Science and Technology (BIST) started with Sri Lakshmi Ammal Educational Trust as the first self-financing Engineering College in Tamil Nadu in 1984 by Dr. S. Jagathrakshakan. The trust then established Sree Balaji Dental College and Hospital in 1989. Sree Balaji Dental College and Hospital was first recognized as a Deemed to be University by MHRD in July 2002, under section 3 of UGC Act 1956 and placed under the purview of new trust of Bharath Institute of Higher Education and Research (BIHER). Other institutions (below) was then brought under the ambit of Bharath Institute of Higher Education and Research (BIHER).

- Bharath Medical College and Hospital (BMCH), Chennai
- Sree Balaji College of Nursing, Chennai
- Sree Balaji Medical College and Hospital (SBMCH), Chennai
- Sree Balaji College of Physiotherapy
- Sri Lakshmi Narayana Institute of Medical Sciences (SLIMS), Pudhucherry

Thus, Bharath Institute of Higher Education and Research (BIHER) is providing multi-stream, multi-cultural, and high quality education to nearly 10000 students from around the world. It is functioning in a sprawling area of 603 acres of land with 1.3 crore sq.ft buildings located in 6 Campuses both in Tamil Nadu and Pudhucherry with the state of the art infrastructure facilities. There are well qualified Teaching Faculty members to teach various UG and PG programmes and to guide

## ASIA PACIFIC UNIVERSITY

APU's iconic campus is strategically located at Technology Park Malaysia, Bukit Jalil, Kuala Lumpur. TPM is the ideal location for this new and contemporary Campus due to its strong positioning as Malaysia's primary hub for leading-edge and high-tech developments in a wide variety of areas such as Information and Communication Technology, Biotechnology, Microelectronics, Engineering and Broadcasting. TPM is also located in one of the most rapidly developing areas in Kuala Lumpur, and is well served and accessible through major highways, LRT and other forms of public transportation

## CENTRE FOR RESEARCH

The Centre for Research (CFR), the R & D wing of the Bharath Institute of Higher Education and Research was started to inculcate hardcore research in the advanced research areas along with the supporting academic curriculum. CFR has a well-established lab in a sprawling area of 5600 sq. ft with a state-of-the-art facility and focuses on being a global leader to make a difference in various advanced research areas. CFR aims to make a strong collaboration with over 100 institutions worldwide with industry partnerships and start-up entities. The prime goal of CFR is to make a breakthrough in the field of tissue engineering, cell therapies, diagnostics, drug discovery and delivery, genetic engineering, nanobiotechnology, environmental biology and 3D printing. CFR contributes to the advancements of global science and medical field. The expert faculties of CFR offer training and project guidance to all the aspirants in the above research areas.

## AIM AND SCOPE OF THE INTERNATIONAL CONFERENCE - AINEEHA 2024
