International Conference on Advanced Engineering, Sciences & Management'23 (ICAESM'23)

Organized by
BIHER
(Online Mode)

Date: 09.10.2023 & 10.10.2023

About The Institution

Bharath Institute of Science and Technology (BIST) started with Sri Lakshmi Ammal Educational Trust as the first self-financing Engineering College in Tamil Nadu in 1984. The trust then established Sree Balaji Dental College and Hospital in 1989. Sree Balaji Dental College and Hospital was first recognized as a Deemed to be University by MHRD in July 2002, under section 3 of UGC Act 1956 and placed under the purview of new trust of Bharath Institute of Higher Education and Research (BIHER). The Bharath Institute of Science and Technology (BIST) and other institutions (below) was then brought under the ambit of Bharath Institute of Higher Education and Research (BIHER). There are well qualified Teaching Faculty member to teach various UG and PG programmes and to guide.

About Conference

International Conference on Advanced Engineering, Sciences & Management'23 (ICAESM'23) topics covered related to Electronics & Communication Engineering, Electrical Engineering, Computer Science & Engineering, Information Science & Engineering, Biotechnology, Mechanical Engineering, Civil Engineering, Basic Science Engineering and Master of Business Administration (MBA). The conference will feature traditional paper presentations (online) as well as keynote speeches by prominent speakers who will focus on related state-of-the-art technologies in the areas of the conference.

Nowadays the academia and researchers are not only pondering but also experiencing the overwhelming outcomes of interdisciplinary researches. Moreover, it has been ubiquitously encouraged by the governments, research agencies, and academic institutions.

Manuscript

Prepare Manuscript Identify a journal with aims & scope close to your research work. This is the time when the author requires to find all detail and policy of the journal including copyright, authorship, submission policy, and publication charges.

After finding a suitable journal, format the manuscript according to the author's guideline of the targeted journal. While you are writing up your findings, come up with what you believe are unique hypotheses, base your work on robust data, and use an appropriate research methodology. Provide theoretical insight, and share theoretical and practical implications for your work.

Peer-review: After the editorial screening, the peer-reviewing process will get initiated for a well-formatted manuscript within the scope of the journal. Keep patience and wait for a reply from the editor during the review process which may take a couple of weeks.

Decision: Based on the reviewer's recommendation, the editor will send you one of the following decision letters

Revision Required: Revise the manuscript as per comment and resubmit.

Decline: Look at your manuscript and decline the reason. Spend plenty of time to improve your overall manuscript and resubmit it as a fresh manuscript.

Accepted: It's time to celebrate, your manuscript will be copyedited by the journal for final publication.
