ABOUT THE COLLEGE

Bharath Institute of Higher Education and Research (BIHER) formerly known as Bharath University was established in the year 1984, under the aegis of Sri Lakshmi Ammal Educational Trust and acquired deemed to be university status in the year 2003 by University Grant Commission (UGC). BIST was started with the aim of imparting higher knowledge in Science and Technology to the aspiring students, so that they can emerge as competent scientists, engineers and technologists. It is committed to the grand task of providing quality education, which will transform the students into efficient and successful careerists. Students who have graduated from BIST are already serving in responsible positions, in India and abroad.

ABOUT THE DEPARTMENT

The Department of Microbiology and Biotechnology was established in 2015 to cater the needs of aspirants who want to study in a university atmosphere. The main objective of the department is to provide academic training and conduct research in the interdisciplinary areas of microbiology and biotechnology with a particular emphasis on extending the knowledge generated from these studies towards the development of technologies of commercial significance. The department has ever since demonstrated an unflinching commitment towards research and man-power development in frontier areas of integrative biology.

The Department offers three years Bachelor, two years Master Degree programmes (B.Sc. & M.Sc.), M.Phil (FT/PT) and Ph.D (FT/PT) programmes which are a full-fledged courses in Biological Sciences.

SCOPE OF THE CONFERENCE

The conference aims to provide a platform for academicians, researchers, scientists and industry experts to exchange and disseminate the developments and findings in Science and Technology.

THEMES OF THE CONFERENCE

- Immunology
- Microbial technology
- Molecular Biology
- Microbiology
- Medical Biotechnology
- Clinical biochemistry
- Pharmacology
- Bioinformatics
