

REGISTER NOW FOR INFOSYS CERTIFICATION

Dear Students,

We are overwhelmed by the incredible response we have received for the launch of our **Infosys Certification** this year and would like to extend our gratitude for your constant support.

Here's a snap shot of what the **Infosys Certification 2019** looked like:

These numbers truly speak volumes of the reach and impact InfyTQ has made in the last 10 months and with this our vision for the 2021 batch has gotten even bigger. It is our pleasure to announce that the **Infosys Certification 2020** will start on **February 10, 2020 for the 2021 batch**.

It is a unique opportunity for students to move their careers forward, with Infosys. Kindly spread the word among your students to **REGISTER** on the platform and prepare themselves for the examination ahead.

Students scoring 65 percent and above in the certification examination will gain three key benefits:

1. Infosys Certification as an endorsement of their industry-readiness
2. An on-the-spot job interview opportunity for entry-level technical roles at Infosys
3. Each Infosys Certified student will be given an opportunity to appear for niche roles which offer differential compensations

The final score will be featured to each student upon completion of the examination.

About the Infosys Certification

Infosys Certification is a technical examination. Learners on InfyTQ, the Infosys learning and engagement platform, will have an advantage over others as the certification examination will be based on the four Foundation courses available on InfyTQ, namely Programming Fundamentals using Python, Object Oriented Programming using Python, Data Structures and Algorithms using Python, and Learning DBMS and SQL.

Students who wish to access InfyTQ now can download the app from [Google Play Store](#) or visit the [website](#) to experience the platform.

A sample test is also available for students to prepare for the Infosys Certification examination.

Eligibility

Students of B.E., B.Tech, M.E., M.Tech, M.Sc., MCA and MCM graduating in 2021 can register.

Registration

We will keep you posted about the registration dates for the examination, until then do write to us at infytq@infosys.com if you have any queries or feedback for us.

Regards
